

# Georgia Rheumatology Managers Meeting

June 4 - 5, 2016

Omni Hilton Head Oceanfront Resort

23 Ocean Lane  
Hilton Head, SC

## ACTIVITY DESCRIPTION

The activity is intended for managers, administrators and physician managers of Rheumatology Practices and is designed to help take Rheumatology management to the next level. Held in conjunction with the Georgia Society of Rheumatology Annual Meeting, join us for an opportunity to network with your peers as we all strive to take care of our patients by providing avenues of access to therapy.

This activity will provide you with very valuable information which you will be able to incorporate into your practices; but just as important you will be able to mingle with folks who share the same problems, challenges, and needs as you. It is so much easier to cope with the "unique opportunities" when you have someone who has experienced the same thing and maybe has developed a plan on how to address it.
